Sustainability Considerations

Looking Beyond Your SAKI Award

Sustaining the Site Coordinator Role

Although the Site Coordinator (SC) Role is specified by the SAKI award, the responsibilities of this role are important to maintaining an improved response to sexual assault.

- Please discuss your approach to ensuring continuity of the SC role through transitions/personnel departures/leave of absence.
- What considerations have you addressed to maintain the SC role after your SAKI award ends?

Collaboration with Team Members

The SC Role is at the Heart of Collaboration

SC Role: The Heart of Collaboration

The SC Role is foundational to supporting collaboration across the team members of your SAKI project.

- Please discuss your approach to ensuring effective communication and collaboration across the MDT and grant management team.
- Please discuss how the SC role impacts MDT buy-in and support.
- What considerations have you addressed to maintain collaboration across the members of your MDT after your SAKI award ends?

SMART Goals

Goal Monitoring as a Metric of Success

SMART Goals: Measuring Success

Creating SMART Goals for your SAKI program establishes a platform for measuring successes through tangible metrics.

- Please discuss your process for creating your SAKI project SMART goals.
- Please discuss some of the metrics associated with your SMART goals.
- Are there specific metrics that are of particular benefit to measuring your agency's success?

SAK Tracking Systems

A Bridge to Survivor Engagement

SAK Tracking Systems: A Key Element of Success

SAK tracking systems support an improved approach for effective SAK processing and team communication.

- Please discuss the key elements of your SAK tracking system that have benefited your approach to sexual assault.
- What are your thoughts specifically to a ‘victim portal’?
- What were some of the considerations your team discussed pertaining to availability of information?

State and Local Agency Considerations

Addressing Specific Nuances

Statewide and Local Sites: Specific Challenges

SAKI Sites often face specific challenges dependent on the size of their jurisdiction.

- Please discuss some of the challenges you have experienced as a statewide SAKI site.
 - Please also share any considerations for addressing these challenges.
- Please discuss some of the challenges you have experienced as a local SAKI site.
 - Please also share any considerations for addressing these challenges.

Thank you!
